A thin black diagonal line starts at the top-left corner of the page and extends towards the bottom-right corner, ending slightly above the center.

, consectetur adip
t. Vivamus quis

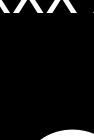

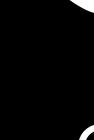

antique street

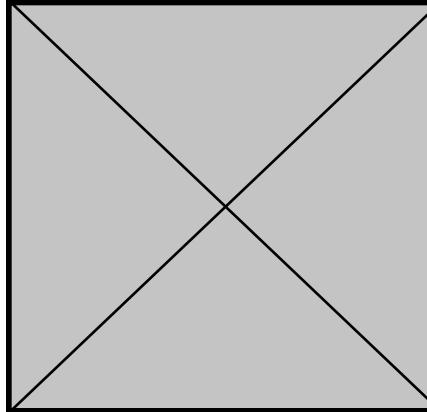

A large square is shown, divided into four quadrants by two diagonal lines that intersect at the center. The top-right and bottom-left quadrants are shaded gray, while the top-left and bottom-right quadrants are white. The entire square is enclosed within a thick black border.

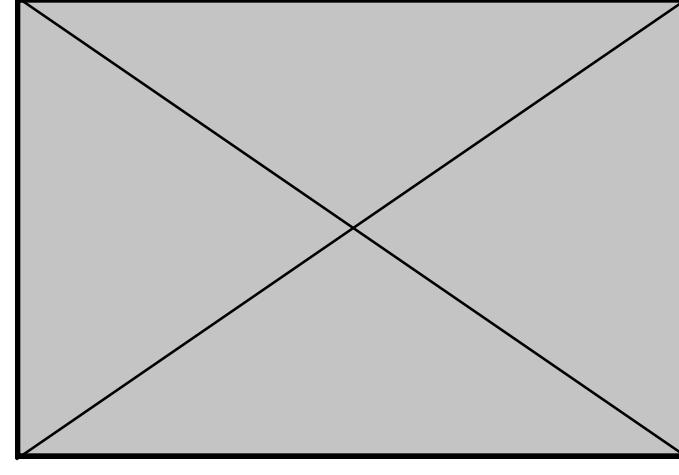

1

A large gray parallelogram is centered on a white background. The parallelogram is defined by four black lines: two vertical sides and two slanted sides. It is oriented such that its top side is slightly above its bottom side.
